SUSTAIN YOURSELF: ALEXA CHUNG

Dubbed the best-dressed woman of 2009 by Vogue for her "quirky sense of style," Alexa Chung, former model, television personality, and vegetarian, is a girl who can put together an outfit that looks effortlessly stylish. She is seen here at the 3.1 Phillip Lim fashion show in New York City. "I've got an allergy to looking too neat," she has said of her style. Find out how to get Alexa's look with sustainable clothing and accessories! (Necklace – SmartGlass Jewelry. Made from a recycled Coca-Cola bottle.) Sustain Yourself will be a regular feature on Conductive Chronicle. The goal is to show that you can be ecologically and ethically responsible without sacrificing style.
