

GREEN FASHION MONDAY: RECYCLED EARRINGS

On Fashion Monday, we highlight a hip, green fashion item. Got a stylish eco-friendly product to recommend? Tell us about it and look for it in an upcoming blog post.

Looking for a unique and eco-savvy accessory with which to update your spring wardrobe? Check out these open cascade earrings from Smart Glass Jewelry's new line. The modern-looking pieces are handmade from the glass bottoms of one of your favorite bottled beverages, be it chardonnay, beer, sake, or champagne. The hoops come in an array of colors and are accented with delicate strings of sterling silver. \$92 per pair.
