Smart Glass offers a full line of recycled glass jewelry. View our collection at www.smartglassjewelry.com. Each piece is handcrafted in the Atlanta studio of artist Kathleen Plate.

Smart Glass has been commissioned by both the Coca-Cola Company and Aveda Corporation to create recycled bottle jewelry from their product bottles!

For additional information, images, or to request an interview with the artist, eco-activist, and promoter of “cottage corporations” Kathleen Plate, please contact Amanda Leesburg at amanda@leesburgpr.com or 404.218.6578.
